Discover the world of quantum, opening Monday at TELUS Spark

(June 22, 2017 – Calgary, AB) TELUS Spark is excited to welcome QUANTUM: The Exhibition, the first-ever travelling exhibition on quantum information science and technology, to Calgary this summer.

Created by the Institute for Quantum Computing at the University of Waterloo, QUANTUM: The Exhibition celebrates Canada's innovative past and its transformative future as part of the CANADA 150 celebrations. Thanks to Heritage Canada, QUANTUM is a key partner in the INNOVATION150 program.

Using thoughtful and creative stories and engaging multi-level interactives, this exhibition will break down the barriers of this fascinating science for visitors of all ages and backgrounds!

WHEN: June 26 – August 7, 2017

WHERE: TELUS Spark, 220 St. George's Drive, NE

HOW MUCH: Included with admission or membership to TELUS Spark
